Blind Contour Mini Project Rubric

	Beginning	Developing	Approaching	Achieving
Practice Gesture Drawings				You have completed 3 practice gesture drawings(as you were shown in class) in your sketchbook. You showed them to Mr. Zess
Assignment Completion				You have fully completed the assignment and followed all the assignment instructions.
Blind Contour Technique & Observational Skills				You completed 2 blind contour drawings: You kept your marker on the paper and didn't look down while you were drawing. Your contour lines show careful observation of small details
Line Quality and Intricacy				You have combined thin lines and thick lines to complete your drawing. You have added darker sections after your blind contours were completed There are many intricate lines in your composition.
