

# THE BODY IN *Motion*

**Summary:** You will complete a charcoal drawing of a body in motion. You will use a photograph that you took for this assignment. You will draw a body making a motion blur as it moves. You will demonstrate what you have learned about figure drawing, proportion, movement, and value.

---

**Medium:** You will use charcoal to complete your drawing. Charcoal is a great material to show a motion blur because it can be easily smudged and creates soft edges.

**Subject:** Your drawing should feature at least one human figure that is moving. The photo could be of someone dancing, playing sports, running, etc.

**Techniques:** Apply what you have learned about proportion, figure drawing, movement, and value in your final drawing. You are using these techniques to show movement.

**Marking:** Please read the marking rubric so you understand how you will be evaluated on this assignment. The rubric is available on the website, in the classroom, and is also given to you on the first day of the assignment.
