

## TYPOGRAPHY EXERCISES

- Experiment with the following Exercises in Typography in your sketchbook.
- Fill, at least, an entire page with your experiments.
- Use whichever drawing tools inspire you or make sense for the activity.
- Spell out whatever words you wish or simply whichever letterforms you want.
- Label the top of the page with the number of the exercise and a heading.

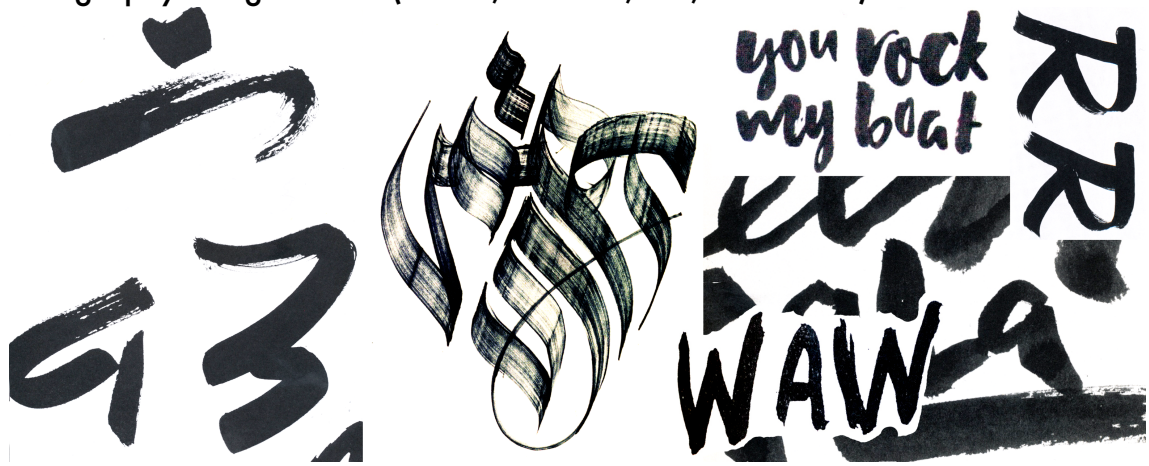

1. Draw out letters using only simple geometric shapes (or portions thereof)

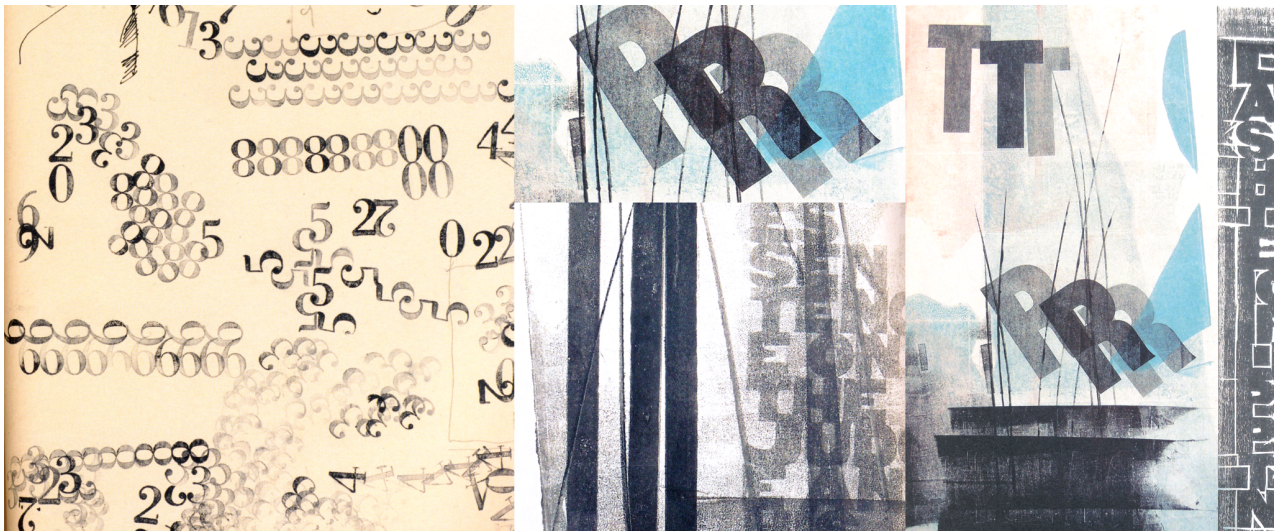

2. Calligraphy using calligraphic dip pens. Access the calligraphy worksheets on the graphics 9 web page.

3. Calligraphy using a brush (sumi-E, Chinese, flat, course etc)

4. Stamps, stencils etc.

5. Pixelated letterforms using graph paper to dictate your designs.
